STATINTL

Dear

General Sibert has informed me that you might be interested in a position with this organization. This Branch has the responsibility for monitoring foreign broadcasts for selected intelligence agencies for the significant material contained therein.

We expect to have a few vacancies in our editorial work and would like to give you consideration for one of these openings. If you think you would be interested, please fill out the enclosed forms and mail them to me at your earliest convenience.

Very truly yours,

STATINTL
